

87th Infantry Division Tim Higgins Scholarship

Administered by: The [87th Infantry Division Legacy Association](#)

The 87th Infantry Legacy Association's mission is to preserve the memory of the World War II contributions of the 87th Infantry Division and educate the public about the significant sacrifices and contributions of the Division's soldiers during this pivotal global war. The 87th was an instrumental unit in General George S. Patton's 3rd Army's success in the Battle of the Bulge during World War II. The 87th Infantry Division Legacy Association is a group of sons, daughters, grandchildren, other relatives and friends intent on honoring the 87th's contribution to World War II by performing educational functions to ensure the Division's actions are not forgotten.

Timothy D. Higgins was the son of John (Jack) W. Higgins. Jack was with Company A of the 346th Regiment of the 87th Infantry Division. Tim was the 4th President of the Legacy Association and worked tirelessly to help plan, conduct, and document annual reunions and educational forums. These take place to continue to continue to share the history of the Division. Tim faithfully attended reunions with his dad and brought along his brother and children in hopes that they would continue the mission. Tim passed in 2021, and this Scholarship Fund was set up in his name to honor all those who strive to ensure that the Division's contribution to a free world is not forgotten.
